True Double Elimination for brackets with 5 or under competitors. *(This means that every competitor has to be defeated twice in a match to be eliminated from competition without exception. As well if you have been defeated by someone and meet them again, you may have to defeat them in two separate matches to eliminate them from the bracket.)*

Note: Neutral position is considered either person standing or the guard position.

LEGAL TECHNIQUES: *All finishing techniques must be applied in a gradual and safe manner or will result in instant disqualification!!! Safety first!! This means pressure gradually instead of jerking or jolting.*

We allow many more submissions than almost any other tournament due to the fact that we have a heavy representation from all grappling styles. Wrestlers, Sambo players, BJJ artists, Judo players, etc all fight differently and we accommodate those differences. We do not presume to tell any fighter how to fight his game and are only making illegal the things that are not safe and the things state commissions and insurance companies mandate.

ILLEGAL TECHNIQUES: *Punishment is 1 foul or disqualification, at referee's discretion.*

-Strikes of any kind

-Not applying any submission in a slow, gradual manner

-Hair pulling

-Body slams from guard above waist high

-Making your opponent land on his/ her head or attempting to injure opponent with throw or take down

-Biting, fish hooking, small joint manipulation (grabbing individual fingers, toes, ears or nose, etc) -

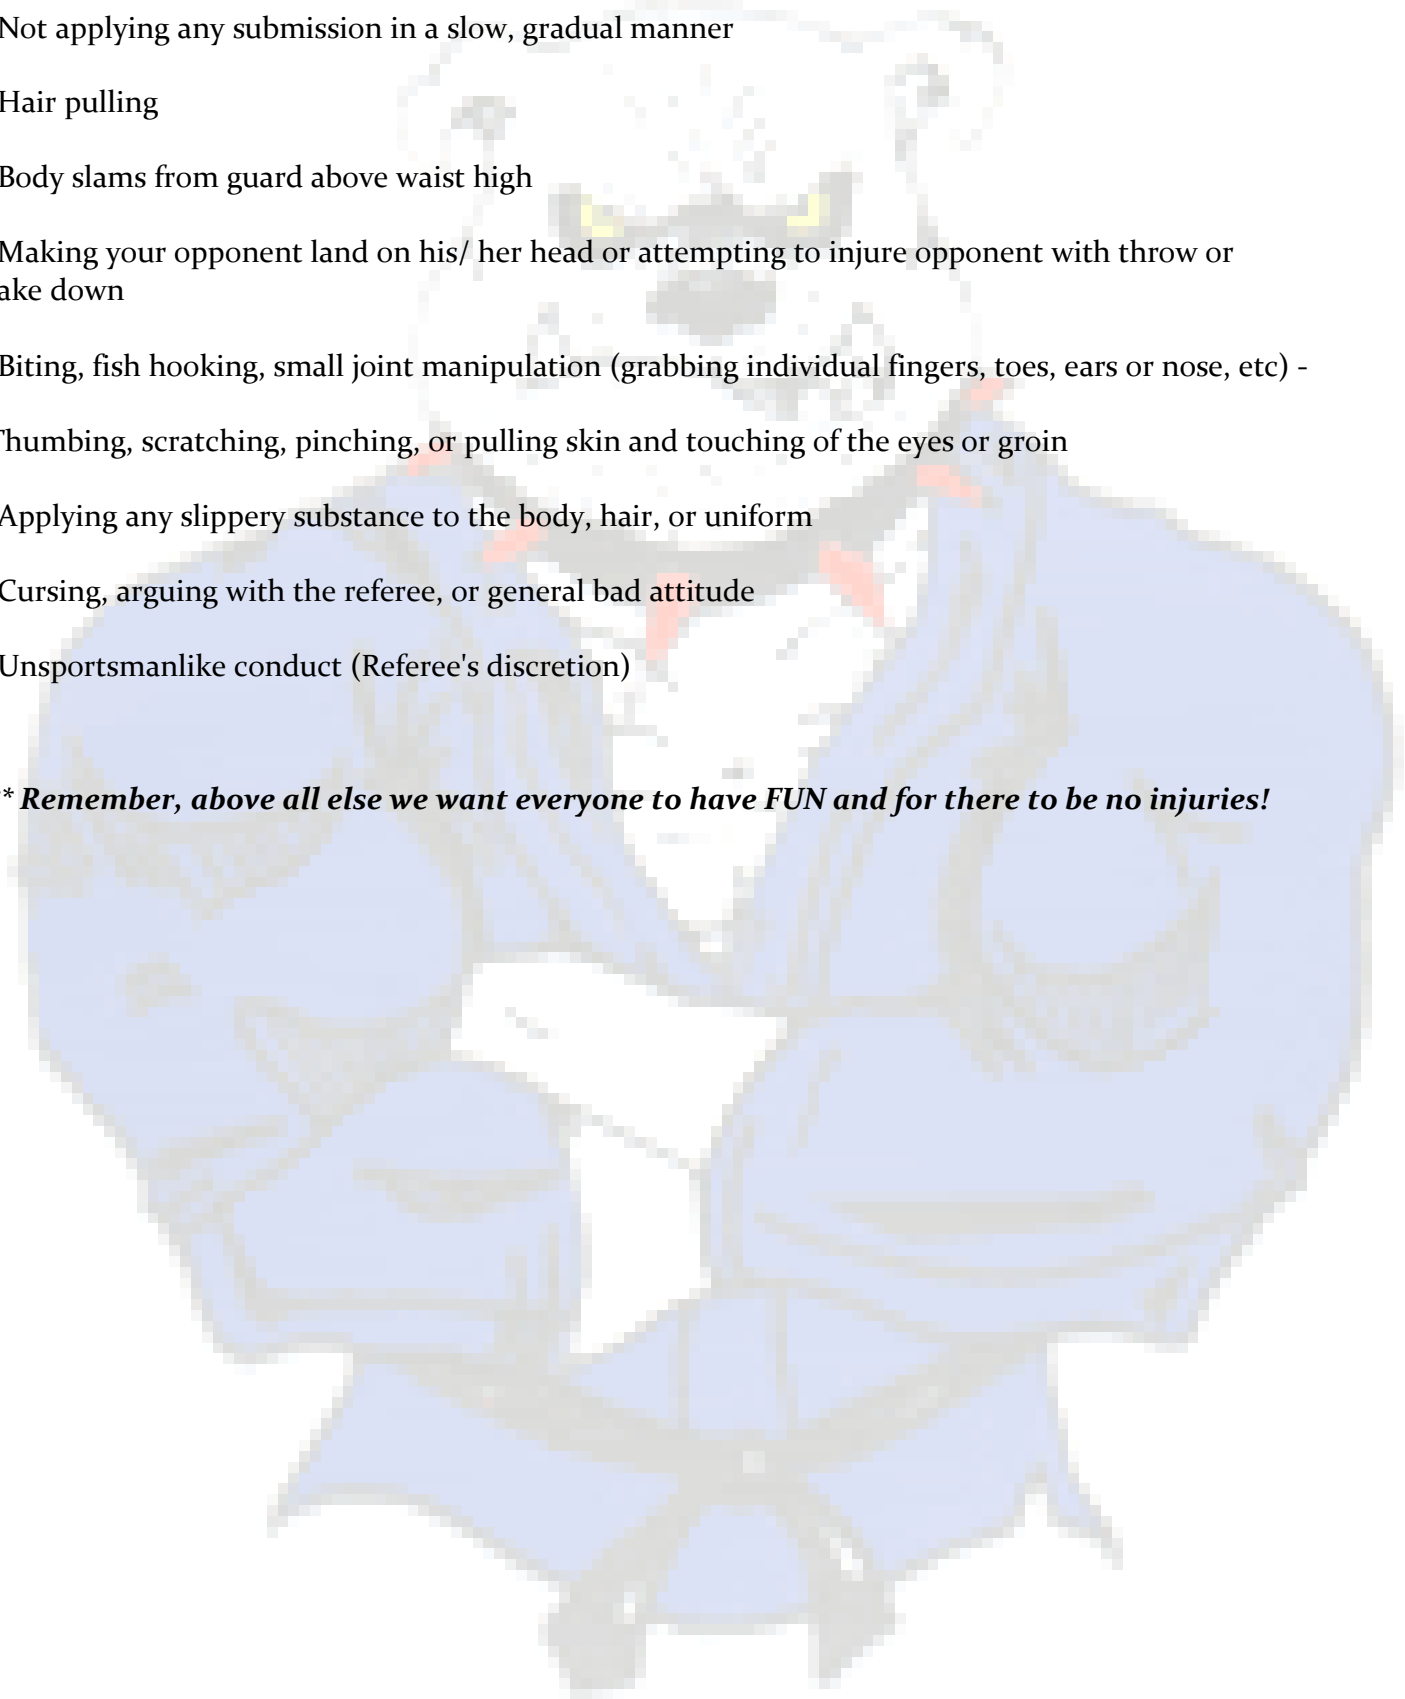

Thumbing, scratching, pinching, or pulling skin and touching of the eyes or groin

-Applying any slippery substance to the body, hair, or uniform

-Cursing, arguing with the referee, or general bad attitude

-Unsportsmanlike conduct (Referee's discretion)
